## Overview

|                      |                                        |
|----------------------|----------------------------------------|
| Quantity:            | 100 µL                                 |
| Target:              | MOBKL1A (MOB1B)                        |
| Binding Specificity: | AA 2-216                               |
| Reactivity:          | Human                                  |
| Host:                | Rabbit                                 |
| Clonality:           | Polyclonal                             |
| Conjugate:           | This MOBKL1A antibody is un-conjugated |
| Application:         | ELISA, Western Blotting (WB)           |

## Product Details

|               |                                                              |
|---------------|--------------------------------------------------------------|
| Immunogen:    | Recombinant human MOB kinase activator 1B protein (2-216AA). |
| Isotype:      | IgG                                                          |
| Purification: | Protein G                                                    |

## Target Details

|                   |                                                            |
|-------------------|------------------------------------------------------------|
| Target:           | MOBKL1A (MOB1B)                                            |
| Alternative Name: | MOB Kinase Activator 1B ( <a href="#">MOB1B Products</a> ) |
| Gene ID:          | 92597                                                      |
| UniProt:          | <a href="#">Q7L9L4</a>                                     |

Application Details

|               |                       |
|---------------|-----------------------|
| Restrictions: | For Research Use only |
|---------------|-----------------------|

Handling

|         |        |
|---------|--------|
| Format: | Liquid |
|---------|--------|

|         |                                                           |
|---------|-----------------------------------------------------------|
| Buffer: | 0.01 M PBS, pH 7.4, 0.03 % Proclin-300 and 50 % Glycerol. |
|---------|-----------------------------------------------------------|

|               |         |
|---------------|---------|
| Preservative: | ProClin |
|---------------|---------|

|                    |                                                                                                                   |
|--------------------|-------------------------------------------------------------------------------------------------------------------|
| Precaution of Use: | This product contains ProClin: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only. |
|--------------------|-------------------------------------------------------------------------------------------------------------------|

|          |               |
|----------|---------------|
| Storage: | -20 °C,-80 °C |
|----------|---------------|

|                  |                                                                           |
|------------------|---------------------------------------------------------------------------|
| Storage Comment: | Aliquot and store at -20 °C or -80 °C. Avoid repeated freeze/thaw cycles. |
|------------------|---------------------------------------------------------------------------|
