

## Datasheet for ABIN2917521 **anti-NHEJ1 antibody**

[Go to Product page](#)

### Overview

|              |                                      |
|--------------|--------------------------------------|
| Quantity:    | 100 µL                               |
| Target:      | NHEJ1                                |
| Reactivity:  | Human, Rat, Mouse                    |
| Host:        | Rabbit                               |
| Clonality:   | Polyclonal                           |
| Conjugate:   | This NHEJ1 antibody is un-conjugated |
| Application: | Western Blotting (WB), ELISA         |

### Product Details

|               |                                 |
|---------------|---------------------------------|
| Immunogen:    | Human NHEJ1.                    |
| Isotype:      | IgG                             |
| Purification: | Antigen Affinity Chromatography |

### Target Details

|                   |                                                                       |
|-------------------|-----------------------------------------------------------------------|
| Target:           | NHEJ1                                                                 |
| Alternative Name: | Nonhomologous End-Joining Factor 1 ( <a href="#">NHEJ1 Products</a> ) |
| Gene ID:          | 79840                                                                 |
| UniProt:          | <a href="#">Q9H9Q4</a>                                                |
| Pathways:         | <a href="#">DNA Damage Repair</a>                                     |

## Application Details

|                    |                                                                    |
|--------------------|--------------------------------------------------------------------|
| Application Notes: | Optimal working dilution should be determined by the investigator. |
| Restrictions:      | For Research Use only                                              |

## Handling

|                    |                                                                                                                        |
|--------------------|------------------------------------------------------------------------------------------------------------------------|
| Format:            | Liquid                                                                                                                 |
| Buffer:            | PBS, pH 7.3, containing 0.1 % Sodium Azide and 50 % Glycerol.                                                          |
| Preservative:      | Sodium azide                                                                                                           |
| Precaution of Use: | This product contains Sodium azide: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only. |
| Storage:           | -20 °C,-80 °C                                                                                                          |
| Storage Comment:   | Aliquot and store at -20 °C or -80 °C. Avoid repeated freeze/thaw cycles.                                              |
