## Overview

|                      |                                      |
|----------------------|--------------------------------------|
| Quantity:            | 100 µL                               |
| Target:              | IDH3B                                |
| Binding Specificity: | AA 35-385                            |
| Reactivity:          | Human, Mouse                         |
| Host:                | Rabbit                               |
| Clonality:           | Polyclonal                           |
| Conjugate:           | This IDH3B antibody is un-conjugated |
| Application:         | Western Blotting (WB), ELISA         |

## Product Details

|               |                                                                                                  |
|---------------|--------------------------------------------------------------------------------------------------|
| Immunogen:    | Recombinant human Isocitrate dehydrogenase [NAD] subunit beta, mitochondrial protein (35-385AA). |
| Isotype:      | IgG                                                                                              |
| Purification: | Protein G                                                                                        |

## Target Details

|                   |                                          |
|-------------------|------------------------------------------|
| Target:           | IDH3B                                    |
| Alternative Name: | IDH3B ( <a href="#">IDH3B Products</a> ) |
| Gene ID:          | 3420                                     |
| UniProt:          | <a href="#">O43837</a>                   |

Application Details

|               |                       |
|---------------|-----------------------|
| Restrictions: | For Research Use only |
|---------------|-----------------------|

Handling

|         |        |
|---------|--------|
| Format: | Liquid |
|---------|--------|

|         |                                                           |
|---------|-----------------------------------------------------------|
| Buffer: | 0.01 M PBS, pH 7.4, 0.03 % Proclin-300 and 50 % Glycerol. |
|---------|-----------------------------------------------------------|

|               |         |
|---------------|---------|
| Preservative: | ProClin |
|---------------|---------|

|                    |                                                                                                                   |
|--------------------|-------------------------------------------------------------------------------------------------------------------|
| Precaution of Use: | This product contains ProClin: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only. |
|--------------------|-------------------------------------------------------------------------------------------------------------------|

|          |               |
|----------|---------------|
| Storage: | -20 °C,-80 °C |
|----------|---------------|

|                  |                                                                           |
|------------------|---------------------------------------------------------------------------|
| Storage Comment: | Aliquot and store at -20 °C or -80 °C. Avoid repeated freeze/thaw cycles. |
|------------------|---------------------------------------------------------------------------|
