Pathways:

| Quantity:   | 96 tests   |
|---|--|
| Target:   | Nanog (NANOG)  |
| Reactivity:   | Human  |
| Method Type:  | Sandwich ELISA   |
| Detection Range:  | 0.156 ng/mL - 10 ng/mL   |
| Minimum Detection Limit:  | 0.156 ng/mL  |
| Application:  | ELISA  |
| Product Details   |  |
|   |  |
| Purpose:  | Human Homeobox protein NANOG ELISA Kit is an ELISA kit against Human Homeobox protein                |
| Purpose:  | Human Homeobox protein NANOG ELISA Kit is an ELISA kit against Human Homeobox protein NANOG (NANOG). |
| Purpose: Sample Type:   |  |
|   | NANOG (NANOG).   |
| Sample Type:  | NANOG (NANOG).  Plasma, Serum  |
| Sample Type: Analytical Method:                                     | NANOG (NANOG).  Plasma, Serum  Quantitative  |
| Sample Type:  Analytical Method:  Detection Method:                 | NANOG (NANOG).  Plasma, Serum  Quantitative  |
| Sample Type:  Analytical Method:  Detection Method:  Target Details | NANOG (NANOG).  Plasma, Serum  Quantitative  Colorimetric  |

Stem Cell Maintenance

## **Application Details**

| Application Notes: | Stability: The stability of the kit is determined by the rate of activity loss. The loss rate is less |  |  |
|--------------------|---|--|--|
|                    | than 5 $\%$ within the expiration date under appropriate storage conditions. To minimize              |  |  |
|                    | performance fluctuations, operation procedures and lab conditions should be strictly controlled.      |  |  |
|                    | It is also strongly suggested that the whole assay is performed by the same user throughout.          |  |  |
|                    | Recommended dilutions: Optimal dilutions/concentrations should be determined by the end               |  |  |
|                    | user.   |  |  |
| Plate:             | Pre-coated  |  |  |
| Restrictions:      | For Research Use only   |  |  |
| Handling           |   |  |  |
| Storage:           | 4 °C/-20 °C   |  |  |
| Storage Comment:   | Upon receipt, store the kit according to the storage instruction in the kit's manual.                 |  |  |
| Expiry Date:       | 6 months  |  |  |
