

## Datasheet for ABIN2951610

### SMN1 ELISA Kit

[Go to Product page](#)

#### Overview

|                          |                        |
|--------------------------|------------------------|
| Quantity:                | 96 tests               |
| Target:                  | SMN1                   |
| Reactivity:              | Mouse                  |
| Method Type:             | Sandwich ELISA         |
| Detection Range:         | 1.56 ng/mL - 100 ng/mL |
| Minimum Detection Limit: | 1.56 ng/mL             |
| Application:             | ELISA                  |

#### Product Details

|                    |  |
|--------------------|--|
| Purpose:           | Mouse Survival Of Motor Neuron 1, Telomeric ELISA Kit is an ELISA Kit against Survival Of Motor Neuron 1, Telomeric. |
| Sample Type:       | Plasma, Serum  |
| Analytical Method: | Quantitative   |
| Detection Method:  | Colorimetric   |
| Sensitivity:       | 0.94 ng/mL   |
| Characteristics:   | Survival Of Motor Neuron 1, Telomeric  |

#### Target Details

|                   |   |
|-------------------|---|
| Target:           | SMN1  |
| Alternative Name: | Survival Of Motor Neuron 1, Telomeric ( <a href="#">SMN1 Products</a> ) |

## Target Details

Pathways: [Ribonucleoprotein Complex Subunit Organization](#)

## Application Details

|                    |   |
|--------------------|---|
| Application Notes: | <p>Stability: The stability of the kit is determined by the rate of activity loss. The loss rate is less than 5 % within the expiration date under appropriate storage conditions. To minimize performance fluctuations, operation procedures and lab conditions should be strictly controlled. It is also strongly suggested that the whole assay is performed by the same user throughout.</p> <p>Recommended dilutions: Optimal dilutions/concentrations should be determined by the end user.</p> <p>Standard Form: Lyophilized</p> |
| Plate:             | Pre-coated  |
| Restrictions:      | For Research Use only   |

## Handling

|                  |   |
|------------------|---|
| Storage:         | 4 °C/-20 °C   |
| Storage Comment: | Upon receipt, store the kit according to the storage instruction in the kit's manual. |
| Expiry Date:     | 6 months  |
