

Datasheet for ABIN3004627

**anti-HOXC9 antibody**[Go to Product page](#)**1** Image

## Overview

|              |                         |
|--------------|-------------------------|
| Quantity:    | 400 µL                  |
| Target:      | HOXC9                   |
| Reactivity:  | Zebrafish (Danio rerio) |
| Host:        | Rabbit                  |
| Clonality:   | Polyclonal              |
| Application: | Western Blotting (WB)   |

## Product Details

|               |                                                                                                  |
|---------------|--------------------------------------------------------------------------------------------------|
| Isotype:      | IgG                                                                                              |
| Purification: | This antibody is purified through a protein A column, followed by peptide affinity purification. |

## Target Details

|                   |                                                 |
|-------------------|-------------------------------------------------|
| Target:           | HOXC9                                           |
| Alternative Name: | DANRE Hoxc9a ( <a href="#">HOXC9 Products</a> ) |
| UniProt:          | <a href="#">Q9YGS6</a>                          |

## Application Details

|                    |                                                                    |
|--------------------|--------------------------------------------------------------------|
| Application Notes: | Optimal working dilution should be determined by the investigator. |
| Restrictions:      | For Research Use only                                              |

Handling

|                    |                                                                                                                        |
|--------------------|------------------------------------------------------------------------------------------------------------------------|
| Format:            | Liquid                                                                                                                 |
| Buffer:            | PBS with 0.09 % (W/V) sodium azide.                                                                                    |
| Preservative:      | Sodium azide                                                                                                           |
| Precaution of Use: | This product contains Sodium azide: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only. |
| Storage:           | -20 °C                                                                                                                 |
| Storage Comment:   | Aliquot and store at -20 °C. Avoid repeated freeze/thaw cycles.                                                        |
