Datasheet for ABIN3027914

Mycoplasma Pneumoniae Protein

Overview

Quantity:	1 mL
Target:	Mycoplasma Pneumoniae
Origin:	Mycoplasma pneumoniae
Source:	Mycoplasma pneumoniae
Application:	Enzyme Immunoassay (EIA), Immunoassay (IA)

Product Details

Characteristics:	Source: Strain FH
Purification:	Partially purified

Target Details

Target:	Mycoplasma Pneumoniae
Abstract:	Mycoplasma Pneumoniae Products
Target Type:	Species

Application Details

Comment:	Mycoplasma pneumoniae Grade II Antigen
Restrictions:	For Research Use only

Handling

Format:	Liquid
---------	--------

Handling

Buffer:	Phosphate Buffered Saline Partially purified and concentrated by centrifugation
Storage:	-80 °C
Storage Comment:	≤ -70°C
