# Datasheet for ABIN3045613

# **ELISA Coating Buffer**

#### Overview

Quantity: 1 pack

Application: ELISA

# **Product Details**

# **Application Details**

Application Notes: To be used as a diluent coating buffer for ELISA

Comment: 0.58 M

Restrictions: For Research Use only

#### Handling

Reconstitution:	Dissolve entire packet in 1L of deionized water and mix thoroughly for 5 minutes.
Buffer:	0.58M carbonate-bicarbonate buffer, pH 9.5
Storage:	RT,4 °C
Storage Comment:	Store dry chemical at 18-25C. Store prepared buffer at 2-8C.  Shelf Life: Chemical-12 months. Prepared buffer-3 months.
Expiry Date:	12 months
