

Datasheet for ABIN3071957
ELANE Protein

[Go to Product page](#)

Overview

Quantity:	100 µg
Target:	ELANE
Origin:	Human
Source:	Human
Protein Type:	Native

Product Details

Purity:	> 98 % pure
Sterility:	Sterile filtered

Target Details

Target:	ELANE
Alternative Name:	Neutrophil Elastase (ELANE Products)

Application Details

Restrictions:	For Research Use only
---------------	-----------------------

Handling

Buffer:	0.2 micron filtered solution in 0.05 M sodium acetate, 0.6 M sodium chloride, pH 5.5
Storage:	4 °C/-20 °C/-80 °C
