

Datasheet for ABIN3187067

**anti-SSTR1 antibody (N-Term)**[Go to Product page](#)

## Overview

|                      |                                                       |
|----------------------|-------------------------------------------------------|
| Quantity:            | 100 µL                                                |
| Target:              | SSTR1                                                 |
| Binding Specificity: | N-Term                                                |
| Reactivity:          | Human, Mouse, Rat, Monkey                             |
| Host:                | Rabbit                                                |
| Clonality:           | Polyclonal                                            |
| Conjugate:           | This SSTR1 antibody is un-conjugated                  |
| Application:         | Western Blotting (WB), ELISA, Immunofluorescence (IF) |

## Product Details

|                  |                                                                                                                       |
|------------------|-----------------------------------------------------------------------------------------------------------------------|
| Immunogen:       | Synthesized peptide derived from the N-terminal region of human SSTR1.                                                |
| Isotype:         | IgG                                                                                                                   |
| Specificity:     | SSTR1 Polyclonal Antibody detects endogenous levels of SSTR1 protein.                                                 |
| Characteristics: | Rabbit Polyclonal to SSTR1.                                                                                           |
| Purification:    | The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen. |

## Target Details

|                   |                                          |
|-------------------|------------------------------------------|
| Target:           | SSTR1                                    |
| Alternative Name: | SSTR1 ( <a href="#">SSTR1 Products</a> ) |

### Target Details

|                   |                        |
|-------------------|------------------------|
| Molecular Weight: | 43 kDa                 |
| Gene ID:          | 6751                   |
| UniProt:          | <a href="#">P30872</a> |

### Application Details

|                    |                                                  |
|--------------------|--------------------------------------------------|
| Application Notes: | WB 1:500-1:2000, IF 1:200-1:1000, ELISA 1:20000, |
| Restrictions:      | For Research Use only                            |

### Handling

|                    |                                                                                                                        |
|--------------------|------------------------------------------------------------------------------------------------------------------------|
| Format:            | Liquid                                                                                                                 |
| Concentration:     | 1 mg/mL                                                                                                                |
| Buffer:            | Liquid in PBS containing 50 % glycerol, 0.5 % BSA and 0.02 % sodium azide.                                             |
| Preservative:      | Sodium azide                                                                                                           |
| Precaution of Use: | This product contains Sodium azide: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only. |
| Handling Advice:   | Avoid repeated freeze/thaw cycles.                                                                                     |
| Storage:           | -20 °C                                                                                                                 |
| Storage Comment:   | Store at -20°C.                                                                                                        |
