## anti-Progesterone-3 (17-OH) antibody

### Overview

Quantity:	1000 tests
Target:	Progesterone-3 (17-OH)
Reactivity:	Hormone
Host:	Sheep
Clonality:	Polyclonal
Conjugate:	Un-conjugated
Application:	Radioimmunoassay (RIA)

### Product Details

Immunogen:	17-OH-Progesterone-3.
Isotype:	IgG
Specificity:	Typical specificity: 17-OH-Progesterone: 100%, Pregnenolone: 1%, Progesterone: 4%, 11-Deoxycortisol: 1%.
Purification:	Delipidation and Defibrination

### Target Details

Target:	Progesterone-3 (17-OH)
Alternative Name:	Progesterone 3,17-OH
Target Type:	Hormone

## Application Details

---

Application Notes: RIA

---

Restrictions: For Research Use only

## Handling

---

Format: Liquid

---

Buffer: 25% glycerol. No preservatives added.
