**anti-ZBTB25 antibody (AA 341-435) (AbBy Fluor® 680)**[Go to Product page](#)

## Overview

|                      |                                                                                                                                |
|----------------------|--------------------------------------------------------------------------------------------------------------------------------|
| Quantity:            | 100 µL                                                                                                                         |
| Target:              | ZBTB25                                                                                                                         |
| Binding Specificity: | AA 341-435                                                                                                                     |
| Reactivity:          | Human                                                                                                                          |
| Host:                | Rabbit                                                                                                                         |
| Clonality:           | Polyclonal                                                                                                                     |
| Conjugate:           | This ZBTB25 antibody is conjugated to AbBy Fluor® 680                                                                          |
| Application:         | Western Blotting (WB), Immunofluorescence (Cultured Cells) (IF (cc)), Immunofluorescence (Paraffin-embedded Sections) (IF (p)) |

## Product Details

|                       |                                                                  |
|-----------------------|------------------------------------------------------------------|
| Immunogen:            | KLH conjugated synthetic peptide derived from human ZBTB25/ZNF46 |
| Isotype:              | IgG                                                              |
| Predicted Reactivity: | Human, Mouse, Rat, Sheep, Horse                                  |
| Purification:         | Purified by Protein A.                                           |

## Target Details

|                   |                                                                                        |
|-------------------|----------------------------------------------------------------------------------------|
| Target:           | ZBTB25                                                                                 |
| Alternative Name: | ZBTB25/ZNF46 ( <a href="#">ZBTB25 Products</a> )                                       |
| Background:       | Synonyms: KUP, ZNF46, C14orf51, Zinc finger and BTB domain-containing protein 25, Zinc |

## Target Details

finger protein 46, Zinc finger protein KUP, ZBTB25  
Background: May be involved in transcriptional regulation.

Gene ID: 7597

UniProt: [P24278](#)

## Application Details

Application Notes: IF(IHC-P) 1:50-200  
IF(IHC-F) 1:50-200  
IF(ICC) 1:50-200

Restrictions: For Research Use only

## Handling

Format: Liquid

Concentration: 1 µg/µL

Buffer: Aqueous buffered solution containing 0.01M TBS ( pH 7.4) with 1 % BSA, 0.03 % Proclin300 and 50 % Glycerol.

Preservative: ProClin

Precaution of Use: This product contains ProClin: a POISONOUS AND HAZARDOUS SUBSTANCE, which should be handled by trained staff only.

Storage: -20 °C

Storage Comment: Store at -20°C. Aliquot into multiple vials to avoid repeated freeze-thaw cycles.

Expiry Date: 12 months
