## Overview

|              |                                                                                                                                                                     |
|--------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Quantity:    | 100 µg                                                                                                                                                              |
| Target:      | PDE10A                                                                                                                                                              |
| Reactivity:  | Human, Rat, Mouse, Monkey                                                                                                                                           |
| Host:        | Rabbit                                                                                                                                                              |
| Clonality:   | Polyclonal                                                                                                                                                          |
| Conjugate:   | This PDE10A antibody is conjugated to Biotin                                                                                                                        |
| Application: | Western Blotting (WB), ELISA, Immunohistochemistry (IHC), Immunoprecipitation (IP),<br>Immunocytochemistry (ICC), Immunofluorescence (IF), Confocal Microscopy (CM) |

## Product Details

### Target Details

|                   |                                            |
|-------------------|--------------------------------------------|
| Target:           | PDE10A                                     |
| Alternative Name: | PDE10A ( <a href="#">PDE10A Products</a> ) |
| UniProt:          | <a href="#">Q9Y233</a>                     |
| Pathways:         | <a href="#">cAMP Metabolic Process</a>     |

### Application Details

|               |                       |
|---------------|-----------------------|
| Restrictions: | For Research Use only |
|---------------|-----------------------|
