## Overview

|              |                                                        |
|--------------|--------------------------------------------------------|
| Quantity:    | 100 µg                                                 |
| Target:      | MAPK4                                                  |
| Reactivity:  | Human, Mouse, Rat                                      |
| Host:        | Chicken                                                |
| Clonality:   | Polyclonal                                             |
| Conjugate:   | This MAPK4 antibody is conjugated to Biotin            |
| Application: | Western Blotting (WB), ELISA, Immunoprecipitation (IP) |

## Product Details

### Target Details

|                   |                                          |
|-------------------|------------------------------------------|
| Target:           | MAPK4                                    |
| Alternative Name: | MAPK4 ( <a href="#">MAPK4 Products</a> ) |
| UniProt:          | <a href="#">P31152</a>                   |
| Pathways:         | <a href="#">MAPK Signaling</a>           |

### Application Details

|               |                       |
|---------------|-----------------------|
| Restrictions: | For Research Use only |
