### Overview

|              |                                                                                                   |
|--------------|---------------------------------------------------------------------------------------------------|
| Quantity:    | 100 µg                                                                                            |
| Target:      | PERK (EIF2AK3)                                                                                    |
| Reactivity:  | Human, Mouse, Rat                                                                                 |
| Host:        | Rabbit                                                                                            |
| Clonality:   | Polyclonal                                                                                        |
| Conjugate:   | This PERK antibody is conjugated to Biotin                                                        |
| Application: | Western Blotting (WB), ELISA, Immunohistochemistry (IHC), Immunoprecipitation (IP), Dot Blot (DB) |

### Product Details

#### Target Details

|                   |                                                                                                                                                                                                                    |
|-------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Target:           | PERK (EIF2AK3)                                                                                                                                                                                                     |
| Alternative Name: | PERK ( <a href="#">EIF2AK3 Products</a> )                                                                                                                                                                          |
| UniProt:          | <a href="#">Q9NZJ5</a>                                                                                                                                                                                             |
