## Overview

|                      |                                                                                    |
|----------------------|------------------------------------------------------------------------------------|
| Quantity:            | 100 µg                                                                             |
| Target:              | PAX2A                                                                              |
| Binding Specificity: | N-Term                                                                             |
| Reactivity:          | Human, Mouse, Rat                                                                  |
| Host:                | Rabbit                                                                             |
| Clonality:           | Polyclonal                                                                         |
| Application:         | Western Blotting (WB), ELISA, Immunohistochemistry (IHC), Immunoprecipitation (IP) |

## Product Details

### Target Details

|                   |                                                                                                                   |
|-------------------|-------------------------------------------------------------------------------------------------------------------|
| Target:           | PAX2A                                                                                                             |
| Alternative Name: | PAX2 ( <a href="#">PAX2A Products</a> )                                                                           |
| UniProt:          | <a href="#">Q02962</a>                                                                                            |
| Pathways:         | <a href="#">Carbohydrate Homeostasis</a> , <a href="#">Stem Cell Maintenance</a> , <a href="#">Tube Formation</a> |

### Application Details

|               |                       |
