

Datasheet for ABIN5558882
anti-SNRPE antibody (Biotin)

[Go to Product page](#)

Overview

Quantity:	100 µg
Target:	SNRPE
Reactivity:	Human, Mouse, Monkey
Host:	Rabbit
Clonality:	Polyclonal
Conjugate:	This SNRPE antibody is conjugated to Biotin
Application:	Western Blotting (WB), Immunohistochemistry (IHC), ELISA, Immunoprecipitation (IP)

Product Details

Target Details

Target:	SNRPE
Alternative Name:	B-raf (SNRPE Products)
UniProt:	P15056
Pathways:	Ribonucleoprotein Complex Subunit Organization , Hepatitis C

Application Details

Restrictions:	For Research Use only
