Datasheet for ABIN5571425 **Aldolase Protein (ALD)**

Overview

Quantity:	100 mg
Target:	Aldolase (ALD)
Origin:	Rabbit
Source:	Rabbit
Protein Type:	Native
Application:	SDS-PAGE (SDS)

Product Details

Purpose:	Aldolase (Rabbit)
Characteristics:	Lyophilized.
Purification:	Native protein chromatographically purified from Rabbit Muscle

Target Details

Target:	Aldolase (ALD)
Alternative Name:	Aldolase (ALD Products)

Application Details

Application Notes:	Use as a chromatography size marker
Comment:	Native protein chromatographically purified from Rabbit Muscle
Restrictions:	For Research Use only

Handling

Format:	Lyophilized
Buffer:	Contains 80 % sucrose by weight.
Handling Advice:	Aliquot to avoid repeated freezing and thawing.
Storage:	4 °C
