

Datasheet for ABIN5624154
Creatinase

[Go to Product page](#)

Overview

Quantity:	100 kU
Host:	Escherichia coli (E. coli)

Product Details

Characteristics:	Creatinase enzyme
Biological Activity Comment:	9 U/mg material, 1000 U = approx 125 mg

Application Details

Restrictions:	For Research Use only
---------------	-----------------------

Handling

Format:	Lyophilized
Buffer:	Supplied in lyophilized form
Storage:	-20 °C
Storage Comment:	Store at -15 deg C or below
