

## Datasheet for ABIN5704548 **anti-VTI1B antibody**

[Go to Product page](#)

### Overview

|              |                                                                                    |
|--------------|------------------------------------------------------------------------------------|
| Quantity:    | 100 µg                                                                             |
| Target:      | VTI1B                                                                              |
| Reactivity:  | Human, Mouse, Rat                                                                  |
| Host:        | Rabbit                                                                             |
| Clonality:   | Polyclonal                                                                         |
| Conjugate:   | This VTI1B antibody is un-conjugated                                               |
| Application: | Western Blotting (WB), ELISA, Immunohistochemistry (IHC), Immunoprecipitation (IP) |

### Product Details

|            |                                                                        |
|------------|------------------------------------------------------------------------|
| Immunogen: | vesicle transport through interaction with t-SNAREs homolog 1B (yeast) |
| Isotype:   | IgG                                                                    |

### Target Details

|                   |                                                                            |
|-------------------|----------------------------------------------------------------------------|
| Target:           | VTI1B                                                                      |
| Alternative Name: | VTI1B ( <a href="#">VTI1B Products</a> )                                   |
| Background:       | Synonyms:VTI1, VTI1 LIKE, Vti1 rp1, VTI1B, VTI1L, VTI1L1, VTI2 Background: |
| Molecular Weight: | 27kDa                                                                      |
| Gene ID:          | 10490                                                                      |
| UniProt:          | <a href="#">Q9UEU0</a>                                                     |

## Application Details

|                    |                                                                                                                            |
|--------------------|----------------------------------------------------------------------------------------------------------------------------|
| Application Notes: | WB :1:500-1:5000,IHC:1:20-1:200,IP:1:500-1:5000                                                                            |
| Comment:           | human liver tissue were subjected to SDS PAGE followed by western blot with FNab09463(VTI1B antibody) at dilution of 1:500 |
| Restrictions:      | For Research Use only                                                                                                      |

## Handling

|                    |                                                                                                                        |
|--------------------|------------------------------------------------------------------------------------------------------------------------|
| Buffer:            | PBS with 0.02 % sodium azide and 50 % glycerol pH 7.3                                                                  |
| Preservative:      | Sodium azide                                                                                                           |
| Precaution of Use: | This product contains Sodium azide: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only. |
| Handling Advice:   | Avoid repeated freeze / thaw cycles.                                                                                   |
| Storage:           | -20 °C                                                                                                                 |
| Expiry Date:       | 12 months                                                                                                              |
