Datasheet for ABIN572479

Protein G Protein (Colloidal Gold (15 OD))

Overview

Quantity:	1 mL
Target:	Protein G
Origin:	Streptococcus
Host:	Please inquire
Purification tag / Conjugate:	This Protein G protein is labelled with Colloidal Gold (15 OD).

Product Details

Target Details

Target:	Protein G
Abstract:	Protein G Products
Background:	Labeled Colloidal Gold Sol. Size: 40nm

Application Details

Restrictions:	For Research Use only
---------------	-----------------------

Handling

Format:	Liquid
Concentration:	Optical density: 15
