## Overview

|              |                                                                                                                                                      |
|--------------|------------------------------------------------------------------------------------------------------------------------------------------------------|
| Quantity:    | 100 µL                                                                                                                                               |
| Target:      | MRPL12                                                                                                                                               |
| Reactivity:  | Human, Mouse, Rat                                                                                                                                    |
| Host:        | Rabbit                                                                                                                                               |
| Clonality:   | Polyclonal                                                                                                                                           |
| Conjugate:   | This MRPL12 antibody is un-conjugated                                                                                                                |
| Application: | Western Blotting (WB), ELISA, Immunohistochemistry (IHC), Immunofluorescence (fixed cells) (IF/ICC), Flow Cytometry (FACS), Immunoprecipitation (IP) |

## Product Details

|               |                             |
|---------------|-----------------------------|
| Isotype:      | IgG                         |
| Purification: | Immunogen affinity purified |

## Target Details

|                   |                                            |
|-------------------|--------------------------------------------|
| Target:           | MRPL12                                     |
| Alternative Name: | MRPL12 ( <a href="#">MRPL12 Products</a> ) |

## Application Details

|                    |                                                                    |
|--------------------|--------------------------------------------------------------------|
| Application Notes: | Optimal working dilution should be determined by the investigator. |
| Restrictions:      | For Research Use only                                              |

Handling

|                    |                                                                                                                        |
|--------------------|------------------------------------------------------------------------------------------------------------------------|
| Format:            | Liquid                                                                                                                 |
| Buffer:            | PBS with 0.02 % sodium azide and 50 % glycerol, pH 7.3                                                                 |
| Preservative:      | Sodium azide                                                                                                           |
| Precaution of Use: | This product contains Sodium azide: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only. |
| Storage:           | -20 °C                                                                                                                 |
| Storage Comment:   | Store at -20°C for 24 months. Avoid repeated freeze/thaw cycles.                                                       |
