## Overview

|              |                                                                                                                           |
|--------------|---------------------------------------------------------------------------------------------------------------------------|
| Quantity:    | 100 µL                                                                                                                    |
| Target:      | MMP13                                                                                                                     |
| Reactivity:  | Rabbit                                                                                                                    |
| Host:        | Guinea Pig                                                                                                                |
| Clonality:   | Polyclonal                                                                                                                |
| Conjugate:   | This MMP13 antibody is conjugated to APC                                                                                  |
| Application: | Western Blotting (WB), Immunohistochemistry (IHC), Immunoprecipitation (IP),<br>Immunofluorescence (fixed cells) (IF/ICC) |

## Product Details

|               |                                                                                                    |
|---------------|----------------------------------------------------------------------------------------------------|
| Purification: | Purified by antigen-specific affinity chromatography followed by Protein A affinity chromatography |
|---------------|----------------------------------------------------------------------------------------------------|

## Target Details

|                   |                                                                |
|-------------------|----------------------------------------------------------------|
| Target:           | MMP13                                                          |
| Alternative Name: | Matrix Metalloproteinase 13 ( <a href="#">MMP13 Products</a> ) |

## Application Details

|                    |                                                                    |
|--------------------|--------------------------------------------------------------------|
| Application Notes: | Optimal working dilution should be determined by the investigator. |
| Restrictions:      | For Research Use only                                              |

## Handling

|                    |                                                                                                                        |
|--------------------|------------------------------------------------------------------------------------------------------------------------|
| Format:            | Liquid                                                                                                                 |
| Concentration:     | 500 µg/mL                                                                                                              |
| Buffer:            | PBS, pH 7.4, containing 0.02 % Sodium azide, 50 % glycerol.                                                            |
| Preservative:      | Sodium azide                                                                                                           |
| Precaution of Use: | This product contains Sodium azide: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only. |
| Storage:           | 4 °C,-20 °C                                                                                                            |
| Storage Comment:   | Store at 4 °C for frequent use. Aliquot and store at -20 °C for up to one year. Avoid repeated freeze/thaw cycles.     |
