

Datasheet for ABIN6060869

**anti-Retinoblastoma Binding Protein 4 antibody (AA 246-425)**[Go to Product page](#)

## Overview

|                      |                                                                 |
|----------------------|-----------------------------------------------------------------|
| Quantity:            | 100 µL                                                          |
| Target:              | Retinoblastoma Binding Protein 4 (RBBP4)                        |
| Binding Specificity: | AA 246-425                                                      |
| Reactivity:          | Human, Mouse                                                    |
| Host:                | Rabbit                                                          |
| Clonality:           | Polyclonal                                                      |
| Conjugate:           | This Retinoblastoma Binding Protein 4 antibody is un-conjugated |
| Application:         | Western Blotting (WB), Immunohistochemistry (IHC), ELISA        |

## Product Details

|               |                                                                      |
|---------------|----------------------------------------------------------------------|
| Immunogen:    | Recombinant human Histone-binding protein RBBP4 protein (246-425AA). |
| Isotype:      | IgG                                                                  |
| Purification: | Protein G                                                            |

## Target Details

|                   |                                                                                                                                                                                    |
|-------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Target:           | Retinoblastoma Binding Protein 4 (RBBP4)                                                                                                                                           |
| Alternative Name: | RBBP4 ( <a href="#">RBBP4 Products</a> )                                                                                                                                           |
| Gene ID:          | 5928                                                                                                                                                                               |

## Target Details

targeting to Nucleus

## Application Details

|                    |                                                                    |
|--------------------|--------------------------------------------------------------------|
| Application Notes: | Optimal working dilution should be determined by the investigator. |
| Restrictions:      | For Research Use only                                              |

## Handling

|                    |                                                                                                                   |
|--------------------|-------------------------------------------------------------------------------------------------------------------|
| Format:            | Liquid                                                                                                            |
| Buffer:            | 0.01 M PBS, pH 7.4, 0.03 % Proclin-300 and 50 % Glycerol.                                                         |
| Preservative:      | ProClin                                                                                                           |
| Precaution of Use: | This product contains ProClin: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only. |
| Storage:           | -20 °C,-80 °C                                                                                                     |
| Storage Comment:   | Aliquot and store at -20 °C or -80 °C. Avoid repeated freeze/thaw cycles.                                         |
