## Overview

|                      |                                           |
|----------------------|-------------------------------------------|
| Quantity:            | 100 µL                                    |
| Target:              | ELTD1                                     |
| Binding Specificity: | AA 85-299                                 |
| Reactivity:          | Human                                     |
| Host:                | Rabbit                                    |
| Clonality:           | Polyclonal                                |
| Conjugate:           | This ELTD1 antibody is conjugated to FITC |
| Application:         | ELISA                                     |

## Product Details

|               |                                                                              |
|---------------|------------------------------------------------------------------------------|
| Immunogen:    | Recombinant human Adhesion G protein-coupled receptor L4 protein (85-299AA). |
| Isotype:      | IgG                                                                          |
| Purification: | Protein G                                                                    |

## Target Details

|                   |                                           |
|-------------------|-------------------------------------------|
| Target:           | ELTD1                                     |
| Alternative Name: | ADGRL4 ( <a href="#">ELTD1 Products</a> ) |
| Gene ID:          | 64123                                     |
| UniProt:          | <a href="#">Q9HBW9</a>                    |

Application Details

|                    |                                                                    |
|--------------------|--------------------------------------------------------------------|
| Application Notes: | Optimal working dilution should be determined by the investigator. |
| Restrictions:      | For Research Use only                                              |

Handling

|                    |                                                                                                                   |
|--------------------|-------------------------------------------------------------------------------------------------------------------|
| Format:            | Liquid                                                                                                            |
| Buffer:            | 0.01 M PBS, pH 7.4, 0.03 % Proclin-300 and 50 % Glycerol.                                                         |
| Preservative:      | ProClin                                                                                                           |
| Precaution of Use: | This product contains ProClin: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only. |
| Storage:           | -20 °C,-80 °C                                                                                                     |
| Storage Comment:   | Aliquot and store at -20 °C or -80 °C. Avoid exposure to light. Avoid repeated freeze/thaw cycles.                |
