## Overview

|                      |                                           |
|----------------------|-------------------------------------------|
| Quantity:            | 100 µL                                    |
| Target:              | GPSM3                                     |
| Binding Specificity: | AA 1-160                                  |
| Reactivity:          | Human                                     |
| Host:                | Rabbit                                    |
| Clonality:           | Polyclonal                                |
| Conjugate:           | This GPSM3 antibody is conjugated to FITC |
| Application:         | ELISA                                     |

## Product Details

|               |                                                                      |
|---------------|----------------------------------------------------------------------|
| Immunogen:    | Recombinant human G-protein-signaling modulator 3 protein (1-160AA). |
| Isotype:      | IgG                                                                  |
| Purification: | Protein G                                                            |

## Target Details

|                   |                                          |
|-------------------|------------------------------------------|
| Target:           | GPSM3                                    |
| Alternative Name: | GPSM3 ( <a href="#">GPSM3 Products</a> ) |
| Gene ID:          | 63940                                    |
| UniProt:          | <a href="#">Q9Y4H4</a>                   |

## Application Details

---

Application Notes: Optimal working dilution should be determined by the investigator.

---

Restrictions: For Research Use only

---

## Handling

---

Format: Liquid

---

Buffer: 0.01 M PBS, pH 7.4, 0.03 % Proclin-300 and 50 % Glycerol.

---

Preservative: ProClin

---

Precaution of Use: This product contains ProClin: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only.

---

Storage: -20 °C,-80 °C

---

Storage Comment: Aliquot and store at -20 °C or -80 °C. Avoid exposure to light. Avoid repeated freeze/thaw cycles.
