## Overview

|                      |                                             |
|----------------------|---------------------------------------------|
| Quantity:            | 100 µL                                      |
| Target:              | SP110                                       |
| Binding Specificity: | AA 137-386                                  |
| Reactivity:          | Human                                       |
| Host:                | Rabbit                                      |
| Clonality:           | Polyclonal                                  |
| Conjugate:           | This SP110 antibody is conjugated to Biotin |
| Application:         | ELISA                                       |

## Product Details

|               |                                                           |
|---------------|-----------------------------------------------------------|
| Immunogen:    | Recombinant Human Sp110 nuclear body protein (137-386AA). |
| Isotype:      | IgG                                                       |
| Purification: | Protein G                                                 |

## Target Details

|                   |                                          |
|-------------------|------------------------------------------|
| Target:           | SP110                                    |
| Alternative Name: | SP110 ( <a href="#">SP110 Products</a> ) |
| Gene ID:          | 3431                                     |
| UniProt:          | <a href="#">Q9HB58</a>                   |

Application Details

|                    |                                                                    |
|--------------------|--------------------------------------------------------------------|
| Application Notes: | Optimal working dilution should be determined by the investigator. |
| Restrictions:      | For Research Use only                                              |

Handling

|                    |                                                                                                                   |
|--------------------|-------------------------------------------------------------------------------------------------------------------|
| Format:            | Liquid                                                                                                            |
| Buffer:            | 0.01 M PBS, pH 7.4, 0.03 % Proclin-300 and 50 % Glycerol.                                                         |
| Preservative:      | ProClin                                                                                                           |
| Precaution of Use: | This product contains ProClin: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only. |
| Storage:           | -20 °C,-80 °C                                                                                                     |
| Storage Comment:   | Aliquot and store at -20 °C or -80 °C. Avoid exposure to light. Avoid repeated freeze/thaw cycles.                |
