## Overview

|                      |                                                                                                     |
|----------------------|-----------------------------------------------------------------------------------------------------|
| Quantity:            | 100 µL                                                                                              |
| Target:              | RPS2                                                                                                |
| Binding Specificity: | AA 2-61                                                                                             |
| Reactivity:          | Human, Mouse                                                                                        |
| Host:                | Rabbit                                                                                              |
| Clonality:           | Polyclonal                                                                                          |
| Conjugate:           | This RPS2 antibody is un-conjugated                                                                 |
| Application:         | Western Blotting (WB), ELISA, Immunohistochemistry (IHC), Immunofluorescence (fixed cells) (IF/ICC) |

## Product Details

|               |                                                              |
|---------------|--------------------------------------------------------------|
| Immunogen:    | Recombinant Human 40S ribosomal protein S2 protein (2-61AA). |
| Isotype:      | IgG                                                          |
| Purification: | Protein G                                                    |

## Target Details

|                   |                                        |
|-------------------|----------------------------------------|
| Target:           | RPS2                                   |
| Alternative Name: | RPS2 ( <a href="#">RPS2 Products</a> ) |
| Gene ID:          | 6187                                   |
| UniProt:          | <a href="#">P15880</a>                 |

## Target Details

Pathways: [Ribonucleoprotein Complex Subunit Organization](#), [Ribosome Assembly](#)

## Application Details

Application Notes: Optimal working dilution should be determined by the investigator.

Restrictions: For Research Use only

## Handling

Format: Liquid

Buffer: 0.01 M PBS, pH 7.4, 0.03 % Proclin-300 and 50 % Glycerol.

Preservative: ProClin

Precaution of Use: This product contains ProClin: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only.

Storage: -20 °C,-80 °C

Storage Comment: Aliquot and store at -20 °C or -80 °C. Avoid repeated freeze/thaw cycles.
