

## Datasheet for ABIN6205102

### HAT1 ELISA Kit

[Go to Product page](#)

#### Overview

|                          |                           |
|--------------------------|---------------------------|
| Quantity:                | 96 tests                  |
| Target:                  | HAT1                      |
| Reactivity:              | Mouse                     |
| Method Type:             | Sandwich ELISA            |
| Detection Range:         | 15.625 pg/mL - 1000 pg/mL |
| Minimum Detection Limit: | 15.625 pg/mL              |
| Application:             | ELISA                     |

#### Product Details

|                    |                                                    |
|--------------------|----------------------------------------------------|
| Purpose:           | Mouse Hat1 ELISA Kit is an ELISA Kit against Hat1. |
| Sample Type:       | Plasma, Serum                                      |
| Analytical Method: | Quantitative                                       |
| Detection Method:  | Colorimetric                                       |
| Sensitivity:       | < 9.375 pg/mL                                      |

#### Target Details

|                   |                                        |
|-------------------|----------------------------------------|
| Target:           | HAT1                                   |
| Alternative Name: | HAT1 ( <a href="#">HAT1 Products</a> ) |
| UniProt:          | <a href="#">Q8BY71</a>                 |

## Application Details

---

|                    |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |
|--------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Notes: | <p>Stability: The stability of the kit is determined by the rate of activity loss. The loss rate is less than 5 % within the expiration date under appropriate storage conditions. To minimize performance fluctuations, operation procedures and lab conditions should be strictly controlled. It is also strongly suggested that the whole assay is performed by the same user throughout.</p> <p>Recommended dilutions: Optimal dilutions/concentrations should be determined by the end user.</p> <p>Standard Form: Lyophilized</p> |
|--------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

---

|        |            |
|--------|------------|
| Plate: | Pre-coated |
|--------|------------|

---

|               |                       |
|---------------|-----------------------|
| Restrictions: | For Research Use only |
|---------------|-----------------------|

## Handling

---

|          |             |
|----------|-------------|
| Storage: | 4 °C/-20 °C |
|----------|-------------|

---

|                  |                                                                                       |
|------------------|---------------------------------------------------------------------------------------|
| Storage Comment: | Upon receipt, store the kit according to the storage instruction in the kit's manual. |
|------------------|---------------------------------------------------------------------------------------|

---

|              |          |
|--------------|----------|
| Expiry Date: | 6 months |
|--------------|----------|
