Datasheet for ABIN620664

## Luciferase Protein

### Overview

Quantity:	100 µg
Target:	Luciferase
Origin:	Invertebrate
Source:	Escherichia coli (E. coli)
Protein Type:	Recombinant
Application:	Cellular Assay (CA), Immunoassay (IA), ELISA, Western Blotting (WB)

### Product Details

#### Target Details

Target:	Luciferase
Abstract:	<a href="#">Luciferase Products</a>

#### Application Details

Restrictions:	For Research Use only
