## Datasheet for ABIN6208644 CIAPIN1 ELISA Kit

Overview

| Quantity:                | 96 tests               |
|--------------------------|------------------------|
| Target:                  | CIAPIN1                |
| Reactivity:              | Human                  |
| Method Type:             | Sandwich ELISA         |
| Detection Range:         | 0.156 ng/mL - 10 ng/mL |
| Minimum Detection Limit: | 0.156 ng/mL            |
| Application:             | ELISA                  |

## Product Details

| Purpose:           | Human CIAPIN1 ELISA Kit is an ELISA Kit against CIAPIN1. |
|--------------------|----------------------------------------------------------|
| Sample Type:       | Plasma, Serum                                            |
| Analytical Method: | Quantitative                                             |
| Detection Method:  | Colorimetric                                             |
| Sensitivity:       | < 0.094 ng/mL                                            |

## Target Details

| Target:           | CIAPIN1                    |
|-------------------|----------------------------|
| Alternative Name: | CIAPIN1 (CIAPIN1 Products) |
| UniProt:          | Q6FI81                     |

| Application Details |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |
|---------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Notes:  | <ul> <li>Stability: The stability of the kit is determined by the rate of activity loss. The loss rate is less</li> <li>than 5 % within the expiration date under appropriate storage conditions. To minimize</li> <li>performance fluctuations, operation procedures and lab conditions should be strictly controlled.</li> <li>It is also strongly suggested that the whole assay is performed by the same user throughout.</li> <li>Recommended dilutions: Optimal dilutions/concentrations should be determined by the end</li> <li>user.</li> <li>Standard Form: Lyophilized</li> </ul> |
| Plate:              | Pre-coated                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |
| Restrictions:       | For Research Use only                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
| Handling            |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |
| Storage:            | 4 °C/-20 °C                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |
| Storage Comment:    | Upon receipt, store the kit according to the storage instruction in the kit's manual.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
| Expiry Date:        | 6 months                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
