## Datasheet for ABIN6238445 IgM Protein

### Overview

Quantity:	50 µg
Target:	IgM
Origin:	Rat
Source:	Rat
Protein Type:	Native
Application:	SDS-PAGE (SDS), Western Blotting (WB), ELISA, Immunoprecipitation (IP)

### Product Details

Purity:	≥ 90 %
---------	--------

### Target Details

Target:	IgM
Alternative Name:	Immunoglobulin M (IgM) ( <a href="#">IgM Products</a> )
Target Type:	Antibody
Background:	Alternative Names: IGHM, Immunoglobulin Heavy Constant Mu, Ig mu chain C region
Molecular Weight:	750.0kDa

### Application Details

Comment:	Full length protein
Restrictions:	For Research Use only
