## Overview

|              |                                           |
|--------------|-------------------------------------------|
| Quantity:    | 200 tests                                 |
| Target:      | LILRB4                                    |
| Reactivity:  | Mouse                                     |
| Host:        | Rabbit                                    |
| Clonality:   | Polyclonal                                |
| Conjugate:   | This LILRB4 antibody is conjugated to APC |
| Application: | Flow Cytometry (FACS)                     |

## Product Details

|               |                                                                                                    |
|---------------|----------------------------------------------------------------------------------------------------|
| Isotype:      | IgG                                                                                                |
| Purification: | Purified by antigen-specific affinity chromatography followed by Protein A affinity chromatography |

## Target Details

|                   |                                                                                                  |
|-------------------|--------------------------------------------------------------------------------------------------|
| Target:           | LILRB4                                                                                           |
| Alternative Name: | Leukocyte Immunoglobulin Like Receptor Subfamily B, Member 4 ( <a href="#">LILRB4 Products</a> ) |

## Application Details

|                    |                                                                    |
|--------------------|--------------------------------------------------------------------|
| Application Notes: | Optimal working dilution should be determined by the investigator. |
| Restrictions:      | For Research Use only                                              |

## Handling

---

|                    |                                                                                                                   |
|--------------------|-------------------------------------------------------------------------------------------------------------------|
| Format:            | Liquid                                                                                                            |
| Buffer:            | 0.01 M PBS, pH 7.4, containing 0.05 % Proclin-300, 50 % glycerol.                                                 |
| Preservative:      | ProClin                                                                                                           |
| Precaution of Use: | This product contains ProClin: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only. |
| Storage:           | 4 °C                                                                                                              |
| Storage Comment:   | Store at 4 °C. Avoid exposure to light.                                                                           |
