

Datasheet for ABIN639930
anti-Pancreatic Amylase antibody

[Go to Product page](#)

Overview

Quantity:	1 mL
Target:	Pancreatic Amylase
Reactivity:	Pig
Host:	Sheep
Conjugate:	This Pancreatic Amylase antibody is un-conjugated
Application:	Western Blotting (WB), ELISA

Product Details

Characteristics:	Sheep Anti-Pig Amylase (PANCREATIC)
Purification:	Purified

Target Details

Target:	Pancreatic Amylase
Alternative Name:	Amylase (PANCREATIC) (Pancreatic Amylase Products)

Application Details

Restrictions:	For Research Use only
