### Overview

|              |                                                                                                             |
|--------------|-------------------------------------------------------------------------------------------------------------|
| Quantity:    | 200 µg                                                                                                      |
| Target:      | SMOC1                                                                                                       |
| Reactivity:  | Human                                                                                                       |
| Host:        | Chicken                                                                                                     |
| Clonality:   | Polyclonal                                                                                                  |
| Conjugate:   | This SMOC1 antibody is un-conjugated                                                                        |
| Application: | ELISA, Western Blotting (WB), Cellular Assay (CA), Dot Blot (DB), Immunoassay (IA),<br>Immunostaining (Ist) |

### Product Details

#### Target Details

|                   |                                                |
|-------------------|------------------------------------------------|
| Target:           | SMOC1                                          |
| Alternative Name: | SMOC1 ( <a href="#">SMOC1 Products</a> )       |
| Pathways:         | <a href="#">SARS-CoV-2 Protein Interactome</a> |

#### Application Details

|               |                       |
|---------------|-----------------------|
| Restrictions: | For Research Use only |
|---------------|-----------------------|
