## Overview

|                      |                                                                                                     |
|----------------------|-----------------------------------------------------------------------------------------------------|
| Quantity:            | 100 µL                                                                                              |
| Target:              | Endothelin 1 (EDN1)                                                                                 |
| Binding Specificity: | AA 53-90                                                                                            |
| Reactivity:          | Human                                                                                               |
| Host:                | Mouse                                                                                               |
| Clonality:           | Monoclonal                                                                                          |
| Conjugate:           | This Endothelin 1 antibody is un-conjugated                                                         |
| Application:         | Western Blotting (WB), Immunohistochemistry (IHC), ELISA, Immunofluorescence (fixed cells) (IF/ICC) |

## Product Details

|            |                     |
|------------|---------------------|
| Immunogen: | EDN1 (Cys53-Ser90). |
|------------|---------------------|

## Target Details

|                   |                                                                                                                                                                                                                                                                                                                                                                                                       |
|-------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Target:           | Endothelin 1 (EDN1)                                                                                                                                                                                                                                                                                                                                                                                   |
| Alternative Name: | Endothelin 1 ( <a href="#">EDN1 Products</a> )                                                                                                                                                                                                                                                                                                                                                        |
| Pathways:         | <a href="#">Hormone Transport</a> , <a href="#">Negative Regulation of Hormone Secretion</a> , <a href="#">Regulation of Systemic Arterial Blood Pressure by Hormones</a> , <a href="#">cAMP Metabolic Process</a> , <a href="#">Regulation of Muscle Cell Differentiation</a> , <a href="#">Regulation of G-Protein Coupled Receptor Protein Signaling</a> , <a href="#">Regulation of Cell Size</a> |

Application Details

Restrictions: For Research Use only

Handling

Concentration: 500 µg/mL

Storage: -20 °C

Storage Comment: Aliquot and store at -20 °C. Avoid repeated freeze/thaw cycles.
