

## Datasheet for ABIN6737533 **anti-ZNF37A antibody**

[Go to Product page](#)

### Overview

|              |                                       |
|--------------|---------------------------------------|
| Quantity:    | 100 µg                                |
| Target:      | ZNF37A                                |
| Reactivity:  | Human                                 |
| Host:        | Mouse                                 |
| Clonality:   | Monoclonal                            |
| Conjugate:   | This ZNF37A antibody is un-conjugated |
| Application: | Western Blotting (WB)                 |

### Product Details

|               |                                                                         |
|---------------|-------------------------------------------------------------------------|
| Immunogen:    | Recombinant human ZNF37A.<br><br>Type of Immunogen: Recombinant protein |
| Isotype:      | IgG1                                                                    |
| Specificity:  | Recognizes human.                                                       |
| Purification: | Affinity purified                                                       |

### Target Details

|                   |                                            |
|-------------------|--------------------------------------------|
| Target:           | ZNF37A                                     |
| Alternative Name: | ZNF37A ( <a href="#">ZNF37A Products</a> ) |
| Background:       | Name/Gene ID: ZNF37A                       |

### Target Details

|          |                                                                                    |
|----------|------------------------------------------------------------------------------------|
|          | Synonyms: ZNF37A, KOX21, Zinc finger protein KOX21, Zinc finger protein 37A, ZNF37 |
| Gene ID: | 7587                                                                               |
| UniProt: | <a href="#">P17032</a>                                                             |

### Application Details

|                    |                                                                       |
|--------------------|-----------------------------------------------------------------------|
| Application Notes: | Approved: WB (1:1000 - 1:2000)                                        |
|                    | Usage: Suitable for use in Western Blot. Western Blot: 1:1000-1:2000. |
| Comment:           | Target Species of Antibody: Human                                     |
| Restrictions:      | For Research Use only                                                 |

### Handling

|                    |                                                                                                                        |
|--------------------|------------------------------------------------------------------------------------------------------------------------|
| Format:            | Liquid                                                                                                                 |
| Concentration:     | Lot specific                                                                                                           |
| Buffer:            | PBS, pH 7.4, 1 % BSA, 0.05 % sodium azide.                                                                             |
| Preservative:      | Sodium azide                                                                                                           |
| Precaution of Use: | This product contains Sodium azide: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only. |
