

## Datasheet for ABIN6754168 **anti-EIF4E antibody (FITC)**

[Go to Product page](#)

### Overview

|              |                                                         |
|--------------|---------------------------------------------------------|
| Quantity:    | 200 µL                                                  |
| Target:      | EIF4E                                                   |
| Reactivity:  | Human                                                   |
| Host:        | Mouse                                                   |
| Clonality:   | Monoclonal                                              |
| Conjugate:   | This EIF4E antibody is conjugated to FITC               |
| Application: | Western Blotting (WB), ELISA, Immunocytochemistry (ICC) |

### Product Details

|               |                                                                |
|---------------|----------------------------------------------------------------|
| Immunogen:    | Recombinant human EIF4E.<br>ImmunogenType: Recombinant protein |
| Clone:        | 163CT48-1-9                                                    |
| Isotype:      | IgG1 kappa                                                     |
| Specificity:  | Human EIF4E.                                                   |
| Purification: | Protein G purified                                             |

### Target Details

|                   |                                                                                        |
|-------------------|----------------------------------------------------------------------------------------|
| Target:           | EIF4E                                                                                  |
| Alternative Name: | EIF4E ( <a href="#">EIF4E Products</a> )                                               |
| Background:       | Synonyms: EIF4E, EIF-4E, EIF4E1, EIF4EL1, EIF4F, CBP, EIF-4F 25 kDa subunit, mRNA cap- |

## Target Details

|           |                               |
|-----------|-------------------------------|
|           | binding protein               |
| Gene ID:  | 1977                          |
| Pathways: | <a href="#">BCR Signaling</a> |

## Application Details

|                    |                                                                                                                            |
|--------------------|----------------------------------------------------------------------------------------------------------------------------|
| Application Notes: | The applications listed above are for the unconjugated form of this antibody. The conjugated antibody has not been tested. |
| Restrictions:      | For Research Use only                                                                                                      |

## Handling

|                    |                                                                                                                                      |
|--------------------|--------------------------------------------------------------------------------------------------------------------------------------|
| Format:            | Liquid                                                                                                                               |
| Buffer:            | PBS, pH 7.2, 0.09% sodium azide.                                                                                                     |
| Preservative:      | Sodium azide                                                                                                                         |
| Precaution of Use: | This product contains Sodium azide: a POISONOUS AND HAZARDOUS SUBSTANCE, which should be handled by trained staff only.              |
| Storage:           | 4 °C                                                                                                                                 |
| Storage Comment:   | May be stored at 4°C for short-term only. For long-term storage, store at -20°C. Aliquots are stable for at least 6 months at -20°C. |
