

## Datasheet for ABIN6760264 **anti-UBE2R2 antibody**

[Go to Product page](#)

### Overview

|              |                                                                            |
|--------------|----------------------------------------------------------------------------|
| Quantity:    | 100 µL                                                                     |
| Target:      | UBE2R2                                                                     |
| Reactivity:  | Human, Mouse, Rat                                                          |
| Host:        | Rabbit                                                                     |
| Clonality:   | Polyclonal                                                                 |
| Conjugate:   | This UBE2R2 antibody is un-conjugated                                      |
| Application: | Western Blotting (WB), Immunohistochemistry (IHC), Immunofluorescence (IF) |

### Product Details

|               |                                        |
|---------------|----------------------------------------|
| Immunogen:    | Recombinant protein of human UBE2R2    |
|               | Type of Immunogen: Recombinant protein |
| Isotype:      | IgG                                    |
| Specificity:  | Human UBE2R2                           |
| Purification: | Affinity purified                      |

### Target Details

|                   |                                            |
|-------------------|--------------------------------------------|
| Target:           | UBE2R2                                     |
| Alternative Name: | UBE2R2 ( <a href="#">UBE2R2 Products</a> ) |
| Background:       | Name/Gene ID: UBE2R2                       |

## Target Details

|          |                                                                                                       |
|----------|-------------------------------------------------------------------------------------------------------|
|          | Synonyms: UBE2R2, CDC34B, E2-CDC34B, UBC3B, Ubiquitin carrier protein R2, Ubiquitin-protein ligase R2 |
| Gene ID: | 54926                                                                                                 |

## Application Details

|                    |                                                                      |
|--------------------|----------------------------------------------------------------------|
| Application Notes: | Approved: IF (1:50 - 1:200), IHC (1:50 - 1:200), WB (1:500 - 1:2000) |
| Comment:           | Target Species of Antibody: Human                                    |
| Restrictions:      | For Research Use only                                                |

## Handling

|                    |                                                                                                                        |
|--------------------|------------------------------------------------------------------------------------------------------------------------|
| Format:            | Liquid                                                                                                                 |
| Concentration:     | Lot specific                                                                                                           |
| Buffer:            | PBS with 0.02 % sodium azide, 50 % glycerol, pH 7.3                                                                    |
| Preservative:      | Sodium azide                                                                                                           |
| Precaution of Use: | This product contains Sodium azide: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only. |
| Handling Advice:   | Avoid freeze-thaw cycles.                                                                                              |
| Storage:           | -20 °C                                                                                                                 |
| Storage Comment:   | Store at -20°C. Avoid freeze-thaw cycles.                                                                              |
