

## Datasheet for ABIN6760420 **anti-TTBK2 antibody**

[Go to Product page](#)

### Overview

|              |                                                                            |
|--------------|----------------------------------------------------------------------------|
| Quantity:    | 100 µL                                                                     |
| Target:      | TTBK2                                                                      |
| Reactivity:  | Human, Rat                                                                 |
| Host:        | Rabbit                                                                     |
| Clonality:   | Polyclonal                                                                 |
| Conjugate:   | This TTBK2 antibody is un-conjugated                                       |
| Application: | Immunohistochemistry (IHC), Western Blotting (WB), Immunofluorescence (IF) |

### Product Details

|               |                                        |
|---------------|----------------------------------------|
| Immunogen:    | Recombinant protein of human TTBK2     |
|               | Type of Immunogen: Recombinant protein |
| Isotype:      | IgG                                    |
| Specificity:  | Human TTBK2                            |
| Purification: | Affinity purified                      |

### Target Details

|                   |                                          |
|-------------------|------------------------------------------|
| Target:           | TTBK2                                    |
| Alternative Name: | TTBK2 ( <a href="#">TTBK2 Products</a> ) |
| Background:       | Name/Gene ID: TTBK2                      |
|                   | Subfamily: TTBK                          |

## Target Details

Family: Protein Kinase

Synonyms: TTBK2, KIAA0847, SCA11, Tau-tubulin kinase 2, TTBK, Tau tubulin kinase 2, Spinocerebellar ataxia 11

Gene ID: 146057

## Application Details

Application Notes: Approved: IF (1:20 - 1:50), IHC (1:50 - 1:200), WB (1:500 - 1:2000)

Comment: Target Species of Antibody: Human

Restrictions: For Research Use only

## Handling

Format: Liquid

Concentration: Lot specific

Buffer: PBS with 0.02 % sodium azide, 50 % glycerol, pH 7.3

Preservative: Sodium azide

Precaution of Use: This product contains Sodium azide: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only.

Handling Advice: Avoid freeze-thaw cycles.

Storage: -20 °C

Storage Comment: Store at -20°C. Avoid freeze-thaw cycles.
