

Datasheet for ABIN6811670

**anti-4E-BP1/2/3 antibody (pThr45) (Alexa Fluor 488)**[Go to Product page](#)

## Overview

|                      |                                                           |
|----------------------|-----------------------------------------------------------|
| Quantity:            | 100 µL                                                    |
| Target:              | 4E-BP1/2/3                                                |
| Binding Specificity: | pThr45                                                    |
| Reactivity:          | Human, Mouse                                              |
| Host:                | Rabbit                                                    |
| Clonality:           | Polyclonal                                                |
| Conjugate:           | This 4E-BP1/2/3 antibody is conjugated to Alexa Fluor 488 |
| Application:         | Please inquire                                            |

## Product Details

|                   |                                                 |
|-------------------|-------------------------------------------------|
| Cross-Reactivity: | Human, Mouse (Murine)                           |
| Characteristics:  | 4E-BP1/2/3 (Phospho-Thr 45) Conjugated Antibody |

## Target Details

|           |                                     |
|-----------|-------------------------------------|
| Target:   | 4E-BP1/2/3                          |
| Abstract: | <a href="#">4E-BP1/2/3 Products</a> |

## Application Details

|                    |                                                     |
|--------------------|-----------------------------------------------------|
| Application Notes: | AF488 conjugated: most applications: 1: 50 - 1: 250 |
| Restrictions:      | For Research Use only                               |

Handling

---

|                  |                            |
|------------------|----------------------------|
| Storage:         | 4 °C                       |
| Storage Comment: | Store at 4°C for 6 months. |
