### Overview

|                |                                                     |
|----------------|-----------------------------------------------------|
| Quantity:      | 100 µL                                              |
| Target:        | IRF6                                                |
| Reactivity:    | Human, Mouse, Rat                                   |
| Host:          | Rabbit                                              |
| Antibody Type: | Recombinant Antibody                                |
| Clonality:     | Monoclonal                                          |
| Conjugate:     | This IRF6 antibody is conjugated to Alexa Fluor 488 |
| Application:   | Please inquire                                      |

### Product Details

|                   |                                     |
|-------------------|-------------------------------------|
| Cross-Reactivity: | Human, Mouse (Murine), Rat (Rattus) |
| Characteristics:  | IRF6 Conjugated Antibody            |

### Target Details

|                   |                                        |
|-------------------|----------------------------------------|
| Target:           | IRF6                                   |
| Alternative Name: | IRF6 ( <a href="#">IRF6 Products</a> ) |

### Application Details

|                    |                                                     |
|--------------------|-----------------------------------------------------|
| Application Notes: | AF488 conjugated: most applications: 1: 50 - 1: 250 |
| Restrictions:      | For Research Use only                               |

Handling

---

|                  |                            |
|------------------|----------------------------|
| Storage:         | 4 °C                       |
| Storage Comment: | Store at 4°C for 6 months. |
