

Datasheet for ABIN6819027

**anti-HCLS1 antibody (pTyr397) (Alexa Fluor 488)**[Go to Product page](#)

## Overview

|                      |                                                      |
|----------------------|------------------------------------------------------|
| Quantity:            | 100 µL                                               |
| Target:              | HCLS1                                                |
| Binding Specificity: | pTyr397                                              |
| Reactivity:          | Human                                                |
| Host:                | Rabbit                                               |
| Clonality:           | Polyclonal                                           |
| Conjugate:           | This HCLS1 antibody is conjugated to Alexa Fluor 488 |
| Application:         | Please inquire                                       |

## Product Details

|                   |                                          |
|-------------------|------------------------------------------|
| Cross-Reactivity: | Human                                    |
| Characteristics:  | HS1 (Phospho-Tyr397) Conjugated Antibody |

## Target Details

|                   |                                                                                                                                                                                                                                                                                                                         |
|-------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Target:           | HCLS1                                                                                                                                                                                                                                                                                                                   |
| Alternative Name: | HS1 ( <a href="#">HCLS1 Products</a> )                                                                                                                                                                                                                                                                                  |

Application Details

|                    |                                                     |
|--------------------|-----------------------------------------------------|
| Application Notes: | AF488 conjugated: most applications: 1: 50 - 1: 250 |
| Restrictions:      | For Research Use only                               |

Handling

|                  |                            |
|------------------|----------------------------|
| Storage:         | 4 °C                       |
| Storage Comment: | Store at 4°C for 6 months. |
