## Overview

|              |                                                        |
|--------------|--------------------------------------------------------|
| Quantity:    | 100 µL                                                 |
| Target:      | ZSCAN12                                                |
| Reactivity:  | Human                                                  |
| Host:        | Rabbit                                                 |
| Clonality:   | Polyclonal                                             |
| Conjugate:   | This ZSCAN12 antibody is conjugated to Alexa Fluor 488 |
| Application: | Please inquire                                         |

## Product Details

|                   |                             |
|-------------------|-----------------------------|
| Cross-Reactivity: | Human                       |
| Characteristics:  | ZSCAN12 Conjugated Antibody |

## Target Details

|                   |                                              |
|-------------------|----------------------------------------------|
| Target:           | ZSCAN12                                      |
| Alternative Name: | ZSCAN12 ( <a href="#">ZSCAN12 Products</a> ) |

## Application Details

|                    |                                                     |
|--------------------|-----------------------------------------------------|
| Application Notes: | AF488 conjugated: most applications: 1: 50 - 1: 250 |
| Restrictions:      | For Research Use only                               |

Handling

---

|                  |                            |
|------------------|----------------------------|
| Storage:         | 4 °C                       |
| Storage Comment: | Store at 4°C for 6 months. |
