Datasheet for ABIN6825987  
**anti-MT-ATP6 antibody (Alexa Fluor 488)**

### Overview

Quantity:	100 µL
Target:	MT-ATP6
Reactivity:	Human
Host:	Rabbit
Clonality:	Polyclonal
Conjugate:	This MT-ATP6 antibody is conjugated to Alexa Fluor 488
Application:	Please inquire

### Product Details

Cross-Reactivity:	Human
Characteristics:	MT-ATP6 Conjugated Antibody

### Target Details

Target:	MT-ATP6
Alternative Name:	MT-ATP6 ( <a href="#">MT-ATP6 Products</a> )
Pathways:	<a href="#">Proton Transport, Ribonucleoside Biosynthetic Process</a>

### Application Details

Application Notes:	AF488 conjugated: most applications: 1: 50 - 1: 250
Restrictions:	For Research Use only

## Handling

---

Storage: 4 °C

---

Storage Comment: Store at 4°C for 6 months.
