

Datasheet for ABIN6827085

**Recombinant anti-Aggrecan antibody (Alexa Fluor 594)**[Go to Product page](#)

## Overview

|                |                                                         |
|----------------|---------------------------------------------------------|
| Quantity:      | 100 µL                                                  |
| Target:        | Aggrecan (ACAN)                                         |
| Reactivity:    | Human, Rat                                              |
| Host:          | Rabbit                                                  |
| Antibody Type: | Recombinant Antibody                                    |
| Clonality:     | Monoclonal                                              |
| Conjugate:     | This Aggrecan antibody is conjugated to Alexa Fluor 594 |

## Product Details

|                   |                              |
|-------------------|------------------------------|
| Cross-Reactivity: | Human, Rat (Rattus)          |
| Characteristics:  | Aggrecan Conjugated Antibody |

## Target Details

|                   |                                                                                                   |
|-------------------|---------------------------------------------------------------------------------------------------|
| Target:           | Aggrecan (ACAN)                                                                                   |
| Alternative Name: | Aggrecan ( <a href="#">ACAN Products</a> )                                                        |
| Pathways:         | <a href="#">Glycosaminoglycan Metabolic Process</a> , <a href="#">Dicarboxylic Acid Transport</a> |

## Application Details

|                    |                                                     |
|--------------------|-----------------------------------------------------|
| Application Notes: | AF594 conjugated: most applications: 1: 50 - 1: 250 |
| Restrictions:      | For Research Use only                               |

## Handling

---

|          |      |
|----------|------|
| Storage: | 4 °C |
|----------|------|

---

|                  |                            |
|------------------|----------------------------|
| Storage Comment: | Store at 4°C for 6 months. |
|------------------|----------------------------|
