

Datasheet for ABIN6828676

**Recombinant anti-Flotillin 1 antibody (Alexa Fluor 594)**[Go to Product page](#)

## Overview

|                |                                                            |
|----------------|------------------------------------------------------------|
| Quantity:      | 100 µL                                                     |
| Target:        | Flotillin 1 (FLOT1)                                        |
| Reactivity:    | Human, Mouse, Rat                                          |
| Host:          | Rabbit                                                     |
| Antibody Type: | Recombinant Antibody                                       |
| Clonality:     | Monoclonal                                                 |
| Conjugate:     | This Flotillin 1 antibody is conjugated to Alexa Fluor 594 |

## Product Details

|                   |                                     |
|-------------------|-------------------------------------|
| Cross-Reactivity: | Human, Mouse (Murine), Rat (Rattus) |
| Characteristics:  | Flotillin 1 Conjugated Antibody     |

## Target Details

|                   |                                                |
|-------------------|------------------------------------------------|
| Target:           | Flotillin 1 (FLOT1)                            |
| Alternative Name: | Flotillin 1 ( <a href="#">FLOT1 Products</a> ) |

## Application Details

|                    |                                                     |
|--------------------|-----------------------------------------------------|
| Application Notes: | AF594 conjugated: most applications: 1: 50 - 1: 250 |
| Restrictions:      | For Research Use only                               |

Handling

---

|                  |                            |
|------------------|----------------------------|
| Storage:         | 4 °C                       |
| Storage Comment: | Store at 4°C for 6 months. |
