

Datasheet for ABIN6828859
anti-Gastrin antibody (Alexa Fluor 594)

[Go to Product page](#)

Overview

Quantity:	100 µL
Target:	Gastrin (GAST)
Reactivity:	Human, Mouse
Host:	Rabbit
Clonality:	Polyclonal
Conjugate:	This Gastrin antibody is conjugated to Alexa Fluor 594
Application:	Please inquire

Product Details

Cross-Reactivity:	Human, Mouse (Murine)
Characteristics:	Gastrin Conjugated Antibody

Target Details

Target:	Gastrin (GAST)
Alternative Name:	Gastrin (GAST Products)

Application Details

Application Notes:	AF594 conjugated: most applications: 1: 50 - 1: 250
Restrictions:	For Research Use only

Handling

Storage:	4 °C
Storage Comment:	Store at 4°C for 6 months.
