## anti-NCOA3 antibody (pSer857) (Alexa Fluor 594)

[Go to Product page](#)

### Overview

|                      |                                                      |
|----------------------|------------------------------------------------------|
| Quantity:            | 100 µL                                               |
| Target:              | NCOA3                                                |
| Binding Specificity: | pSer857                                              |
| Reactivity:          | Human, Mouse                                         |
| Host:                | Rabbit                                               |
| Clonality:           | Polyclonal                                           |
| Conjugate:           | This NCOA3 antibody is conjugated to Alexa Fluor 594 |
| Application:         | Please inquire                                       |

### Product Details

|                   |                                            |
|-------------------|--------------------------------------------|
| Cross-Reactivity: | Human, Mouse (Murine)                      |
| Characteristics:  | NCoA3 (Phospho-Ser857) Conjugated Antibody |

### Target Details

|                   |                                                                                                                                                                                                                         |
|-------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Target:           | NCOA3                                                                                                                                                                                                                   |
| Alternative Name: | NCoA3 ( <a href="#">NCOA3 Products</a> )                                                                                                                                                                                |
| Pathways:         | <a href="#">Intracellular Steroid Hormone Receptor Signaling Pathway</a> , <a href="#">Regulation of Intracellular Steroid Hormone Receptor Signaling</a> , <a href="#">Regulation of Lipid Metabolism by PPARalpha</a> |

Application Details

|                    |                                                     |
|--------------------|-----------------------------------------------------|
| Application Notes: | AF594 conjugated: most applications: 1: 50 - 1: 250 |
| Restrictions:      | For Research Use only                               |

Handling

|                  |                            |
|------------------|----------------------------|
| Storage:         | 4 °C                       |
| Storage Comment: | Store at 4°C for 6 months. |
