## Overview

|              |                                                      |
|--------------|------------------------------------------------------|
| Quantity:    | 100 µL                                               |
| Target:      | AKAP6 (Akap6)                                        |
| Reactivity:  | Human                                                |
| Host:        | Rabbit                                               |
| Clonality:   | Polyclonal                                           |
| Conjugate:   | This AKAP6 antibody is conjugated to Alexa Fluor 594 |
| Application: | Please inquire                                       |

## Product Details

|                   |                           |
|-------------------|---------------------------|
| Cross-Reactivity: | Human                     |
| Characteristics:  | AKAP6 Conjugated Antibody |

## Target Details

|                   |                                                                                                    |
|-------------------|----------------------------------------------------------------------------------------------------|
| Target:           | AKAP6 (Akap6)                                                                                      |
| Alternative Name: | AKAP6 ( <a href="#">Akap6 Products</a> )                                                           |
| Pathways:         | <a href="#">cAMP Metabolic Process</a> , <a href="#">Regulation of Muscle Cell Differentiation</a> |

## Application Details

|                    |                                                     |
|--------------------|-----------------------------------------------------|
| Application Notes: | AF594 conjugated: most applications: 1: 50 - 1: 250 |
| Restrictions:      | For Research Use only                               |

Handling

---

|                  |                            |
|------------------|----------------------------|
| Storage:         | 4 °C                       |
| Storage Comment: | Store at 4°C for 6 months. |
